Property

£520k - Business Finance

Reward's facility provided cash flow to a property developer to help assist with their ambitious expansions plans

Based on the nature of the request the need for cash flow was urgent, hence them approaching Reward who adhered to the set time frames

This developer is a regular client who continues to use Reward based on the speed of our transactions and ability to leverage assets

Digital

£375k - Business Loan

When a digital marketing agency decided to restructure, their bank was unable to advance funds to help them through the process

The company required a cash flow loan while they downsized their premises and sold these with planning permission

Reward provided a secured loan on the commercial premises on an interest only basis - and, when the property is sold the customer will repay the capital from the sale proceeds

Maintenance

£1m - Invoice Finance Plus

When, despite assurances to the contrary, the prior invoice financier was unable to increase the funding line, our client found themselves needing a speedy alternative

Having secured additional contracts, the client needed increased working capital - Reward's Invoice Finance Plus provided the platform to gear up for these through doubling the size of the Invoice Finance line

Reward also provided a £250,000 over payment, secured against plant and machinery, in order to provide further headroom to support the growth of the company
