

Car Dealer
£900k | Business Finance

This profitable car dealer's Bank of 35 years standing not only said no to increasing their overdraft facilities, but asked for their existing £450k to be paid back as well

With the prospect of having no money available to carry stock, Reward quickly stepped in and doubled their facility by providing a £900k revolving credit line, and against less security than the Bank had

Restaurant
£350k | Business Finance

An award winning restaurant in a busy seaside resort in North Wales approached Reward to help raise funds to pay off HMRC arrears and pay off some aged creditors

Supporting this 30 year old family business was a quick decision, as they owned unencumbered premises to offer as security and a recently opened second restaurant was starting to contribute to the profitability

They had approached their bank who could not help

Leisure & Hospitality
£425k | Business Finance

When a family owned hotel chain suffered a downturn in fortunes due to the failure of its biggest customer and a slow uptake for 2020 bookings, cash flow became strained meaning key supplier payments fell behind

We were able to provide a short term facility to bring key payments up to speed pending the sale of one of the hotels

Introduced by a well-known accountant
