Leisure
£300k | Business Finance

Leisure owner and operator wanted to make a significant investment to extend and refurbish the on-site pub, build a new toilet block, and create more caravan pitches

Despite adequate equity in the site, the banks were not prepared to provide the funds

Recognising the potential we quickly provided the Business Finance to complete the work

It is now fully booked for next year with further expansion now planned

Reward was recommended to the client by a firm of accountants
