

ChloBo
£800k

ChloBo's jewellery is handcrafted to order and is sold online as well in over 150 stores – They required a funding solution to support their business plans

Introduced to us by Bathgate Business Finance, we provided ChloBo with an £800k funding boost, comprising £500k Invoice Finance and a revolving secured £300k Business Finance facility, which has allowed them to negotiate improved terms with suppliers and arrange faster stock turnaround

Recycling
£1.4m

Acquisition funding, debtors plus P&M as security – One simple interest rate charged

Brewery
£500k

Multi asset deal including £300K overpayment Secured by assets in and out of the business

Engineering
£600k

MBI leveraging multiple assets on and off balance sheet

Maintenance
£1m

We doubled their existing IF line, together with a £250K overpayment secured against P&M

Construction Supplier
£600K

New large contract secured and more consistent levels of funding required

Mail Order
£600K

Seasonal business requiring short term facilities over winter months

Zero Point 8

Zero Point 8 specialises in design, manufacture and installation of bespoke furniture for the hospitality, retail, healthcare, commercial and education sectors

They have been an Invoice Finance client for three years and with our facility they repurposed their business to help protect workers against COVID-19, and were able to forge ahead with manufacturing vital medical equipment – producing PPE stations, protection screens and hand sanitiser stations

Grounds Maintenance
£1.35m

Highway and grounds maintenance as well as vegetation management, working on both Government, private contracts and utilities providers

This facility has grown quickly and consistently with us supporting this over the last 12 months and one where we are happy to continue partnering their expansion plans

Dekapak
£325k

Dekapak Solutions provides contract packing, manufacturing, warehousing and distribution facilities and boasts an impressive client list

They took the decision to move into the production of its own brands 'Candy Makers' and 'Absolutely Free From' to satisfy increasing demand in the sugar free and 'Free From' sectors and we were able to support them with a funding solution
