

**Mail Order Business**  
£150k | Business Finance

Revolving credit facility provided to a husband and wife team, with an impressive retail background, launching an online mail order company selling quality British-made goods across the world

The website uses the name of a well-known and respected retailer, which is no longer on the high street - All goods are sent and returned to their own warehouse ensuring the company maintains a healthy margin

Reward has provided the facility to help with advertising and targeted marketing - Sufficient security is in place with the facility being repaid within two years through projected sales

**Cabling Firm**  
£110k | Business Finance

The company suffered considerably during lockdown including having a bad debt - It also coincided with its invoice discounter restricting lending causing even worse cashflow issues

Electrical and construction markets have subsequently geared up and are returning to pre-COVID levels

Top customer has won some large contracts on specialist jobs and needed company to supply a large amount of bigger cabling

With working capital depleted, Reward quickly provided the finance to enable them to fulfil the order and help grow the business

**Scaffolding Company**  
£135k | Business Finance

Experienced scaffolder who had been in the business for more than 20 year - Over that period he has encountered a couple of bumps in the road with recessions and the impact of COVID

Business is now picking up rapidly and in need of additional cashflow to purchase new stock upfront and take on new employees

With sufficient security in place, and plans to repay the funding via profits, we quickly provided the funds to help drive the business forward
